## Do you prescribe hygiene/toileting slings? Introducing an evidence-based tool to assist you

We would like to invite you to a free 45-minute webinar hosted by Deborah Harrison introducing the new hygiene/toileting sling assessment tool.

### About the webinar

The session will explore the need for a hygiene/toileting sling assessment tool. It will look at how it was developed and how this tool can be used.

### Learning outcomes:

- Explore and understand the research and methodology used in the development of the tool
- Analyse the need for the tool against the tragic backdrop of a fatality
- Understand the application of the tool and have an opportunity to see the tool

### Presenter

Deborah Harrison, founder and Clinical Director of A1 Risk Solutions who has extensive experience in working as an operational and strategic lead in the field of Moving and Handling.

### WEBINAR SIGN UP

**12th March 11:00**

**1st April 14:00**

### Please note:

You should be connected a few minutes prior to the webinar.

You can ask questions during and after the webinar by using the Chat.

The webinar will be recorded and available on request.
